

The Demoscene

Where does it come from?
and
How can you become a part of it?

Urs Ganse <urs@mercury.sex>

- Invitations and Partyreports

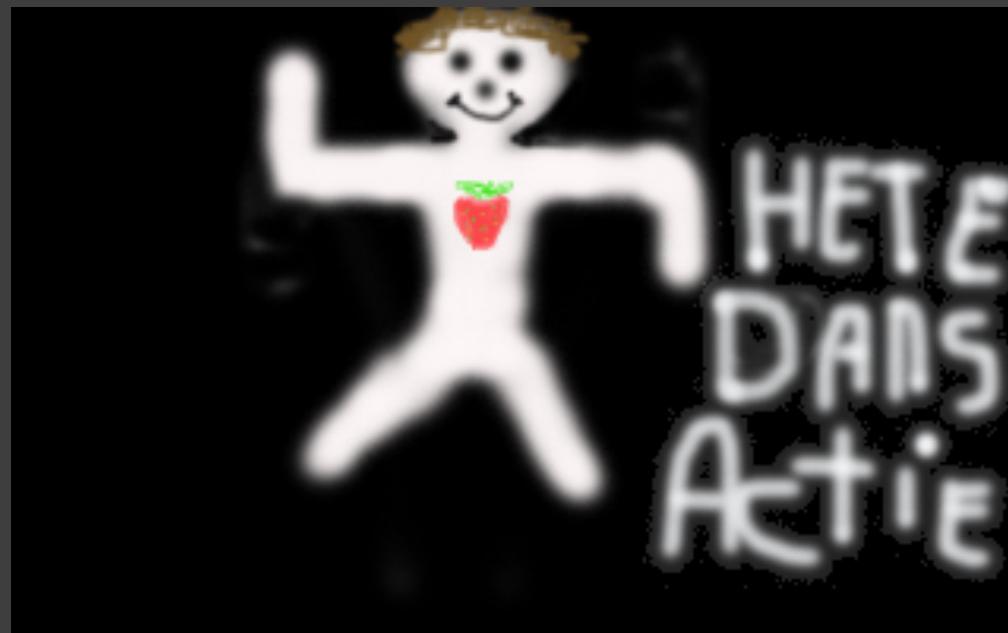

A culture developed.

- Nobody considered it an art form yet.
- Intellectual challenge to be better than the others
- Greetings and Fuckings
- Invitations and Partyreports
- Eventually, people who did demos and people who pirated games decoupled.

A culture developed.

- Nobody considered it an art form yet.
- Intellectual challenge to be better than the others
- Greetings and Fuckings
- Invitations and Partyreports
- Eventually, people who did demos and people who pirated games decoupled.
- Piracy moved to the Internet, copyparties became demoparties.

Demoscene Nowadays

Demoscene Nowadays

- Demoparties are organized around Compos

Demoscene Nowadays

- Demoparties are organized around Compos
- Demo, Intro (64k/4k/1k), Video, Oldskool vs. Newskool

Demoscene Nowadays

- Demoparties are organized around Compos
- Demo, Intro (64k/4k/1k), Video, Oldskool vs. Newskool
- Entries must run on an out-of-the-box system

Demoscene Nowadays

- Demoparties are organized around Compos
- Demo, Intro (64k/4k/1k), Video, Oldskool vs. Newskool
- Entries must run on an out-of-the-box system
- Separate compos for graphics and music
